Subject: Decision Document - Action Memo.docx
Attachments: Decision Document - Action Memo.docx

For what ever reason I can't share this. When I open onto my desktop it will not let me edit. I can't see what is different. I simply created a documents in word and saved. UGH!!!!

I'll be checking in with tech support this am. Hopefully one of you can open this and post to sharepoint. Oh its going to be a fun week if this is how it is starting.
